Communications Plan: Target Audience

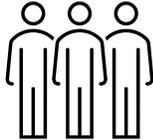

EPP Cert/Data Officers

Ensure candidates meet all state requirements for certification by evaluating and documenting their progress.

EPP Faculty & Content Administrators

Responsible for delivering instruction, supporting the development of future educators and the creation of up-to-date curriculum.

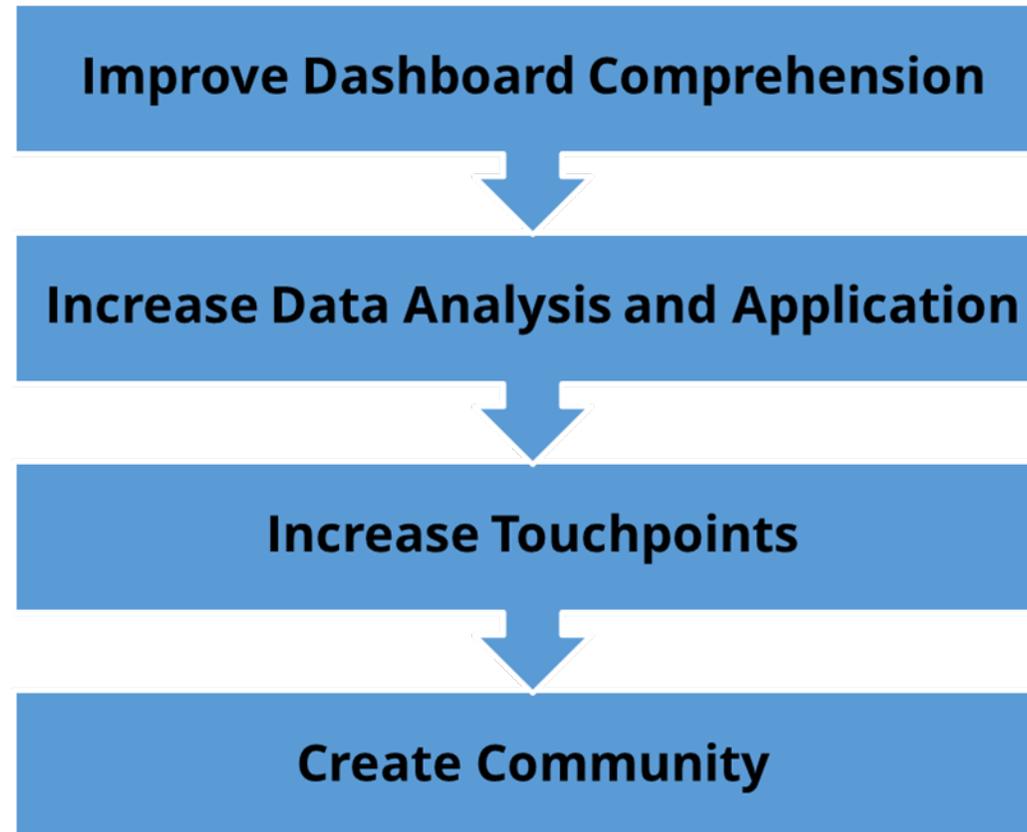

EPP Field Supervisors

Oversee and support the development of teacher candidates during their clinical teaching or internship experience.

Technical Assistance Providers

Third-party vendors who develop local technology systems and manage appraisal data for districts.

Dashboard User Group Trainings

- **Objective:** To accumulate skills and benefits as training progresses.
- **Sharing:** EPPs will share best-in-class practices, breakthroughs, tips and solutions with each other.
- **Schedule:** Create timely trainings that align with the academic calendar for dashboard group trainings.
- **EPP Annual Checklist:** Design reference materials that EPPs can return to annually.
- **Tangible Results:** User group training should possess tangible takeaways that have real-world impact.
- **Minimal Commitment:** The user group will only meet one-hour a month (last week of the month). The key is for training to be a resource, not another obligation.
- **Style:** Training will be more interactive and like working sessions instead of a "sit-and-get."

Mission

Establish a robust pathway for collecting, defining, synthesizing, and prioritizing the requests of I2I EPP dashboard users so that dashboards are strategically developed and updated to provide the most useful and usable data for program improvement.

The background of the slide is an aerial photograph of a city skyline at sunset. The sky is a mix of blue and orange, with scattered clouds. The city features several tall buildings, including a prominent skyscraper with a glass facade that reflects the sunset. In the foreground, there are lower-rise buildings, a parking lot, and a road. A river or lake is visible on the left side of the image.

Questions

Are there any outstanding items you would like to bring up or flag?

The background of the slide is a cityscape at sunset. The sky is a mix of blue and orange, with soft clouds. In the foreground, there are several buildings, including a prominent tall, cylindrical skyscraper. A river or lake is visible on the left side, with a bridge crossing it. The overall scene is a panoramic view of a city during the golden hour.

See you soon!

CSOTTE, October 12-14

Responding to User Feedback: Use of the Insight to Impact Dashboards: Oct. 13 from 3:45-4:30 PM

Enabling Continuous Improvement: Insight into Observation Data During Teacher Preparation: Oct. 14 from 8-8:45 AM
