Retention Table

- Whose checked out the new web page?
Seen the new communication cadence?
- Any reactions on the new cadence of communications? The content?
- Has the increased interaction been useful for you? Have you heard anything from others?

DGC Continuity and Nominations

We are seeking new members of the DGC:

- Intended to be a two-year commitment
- Some individuals can no longer serve

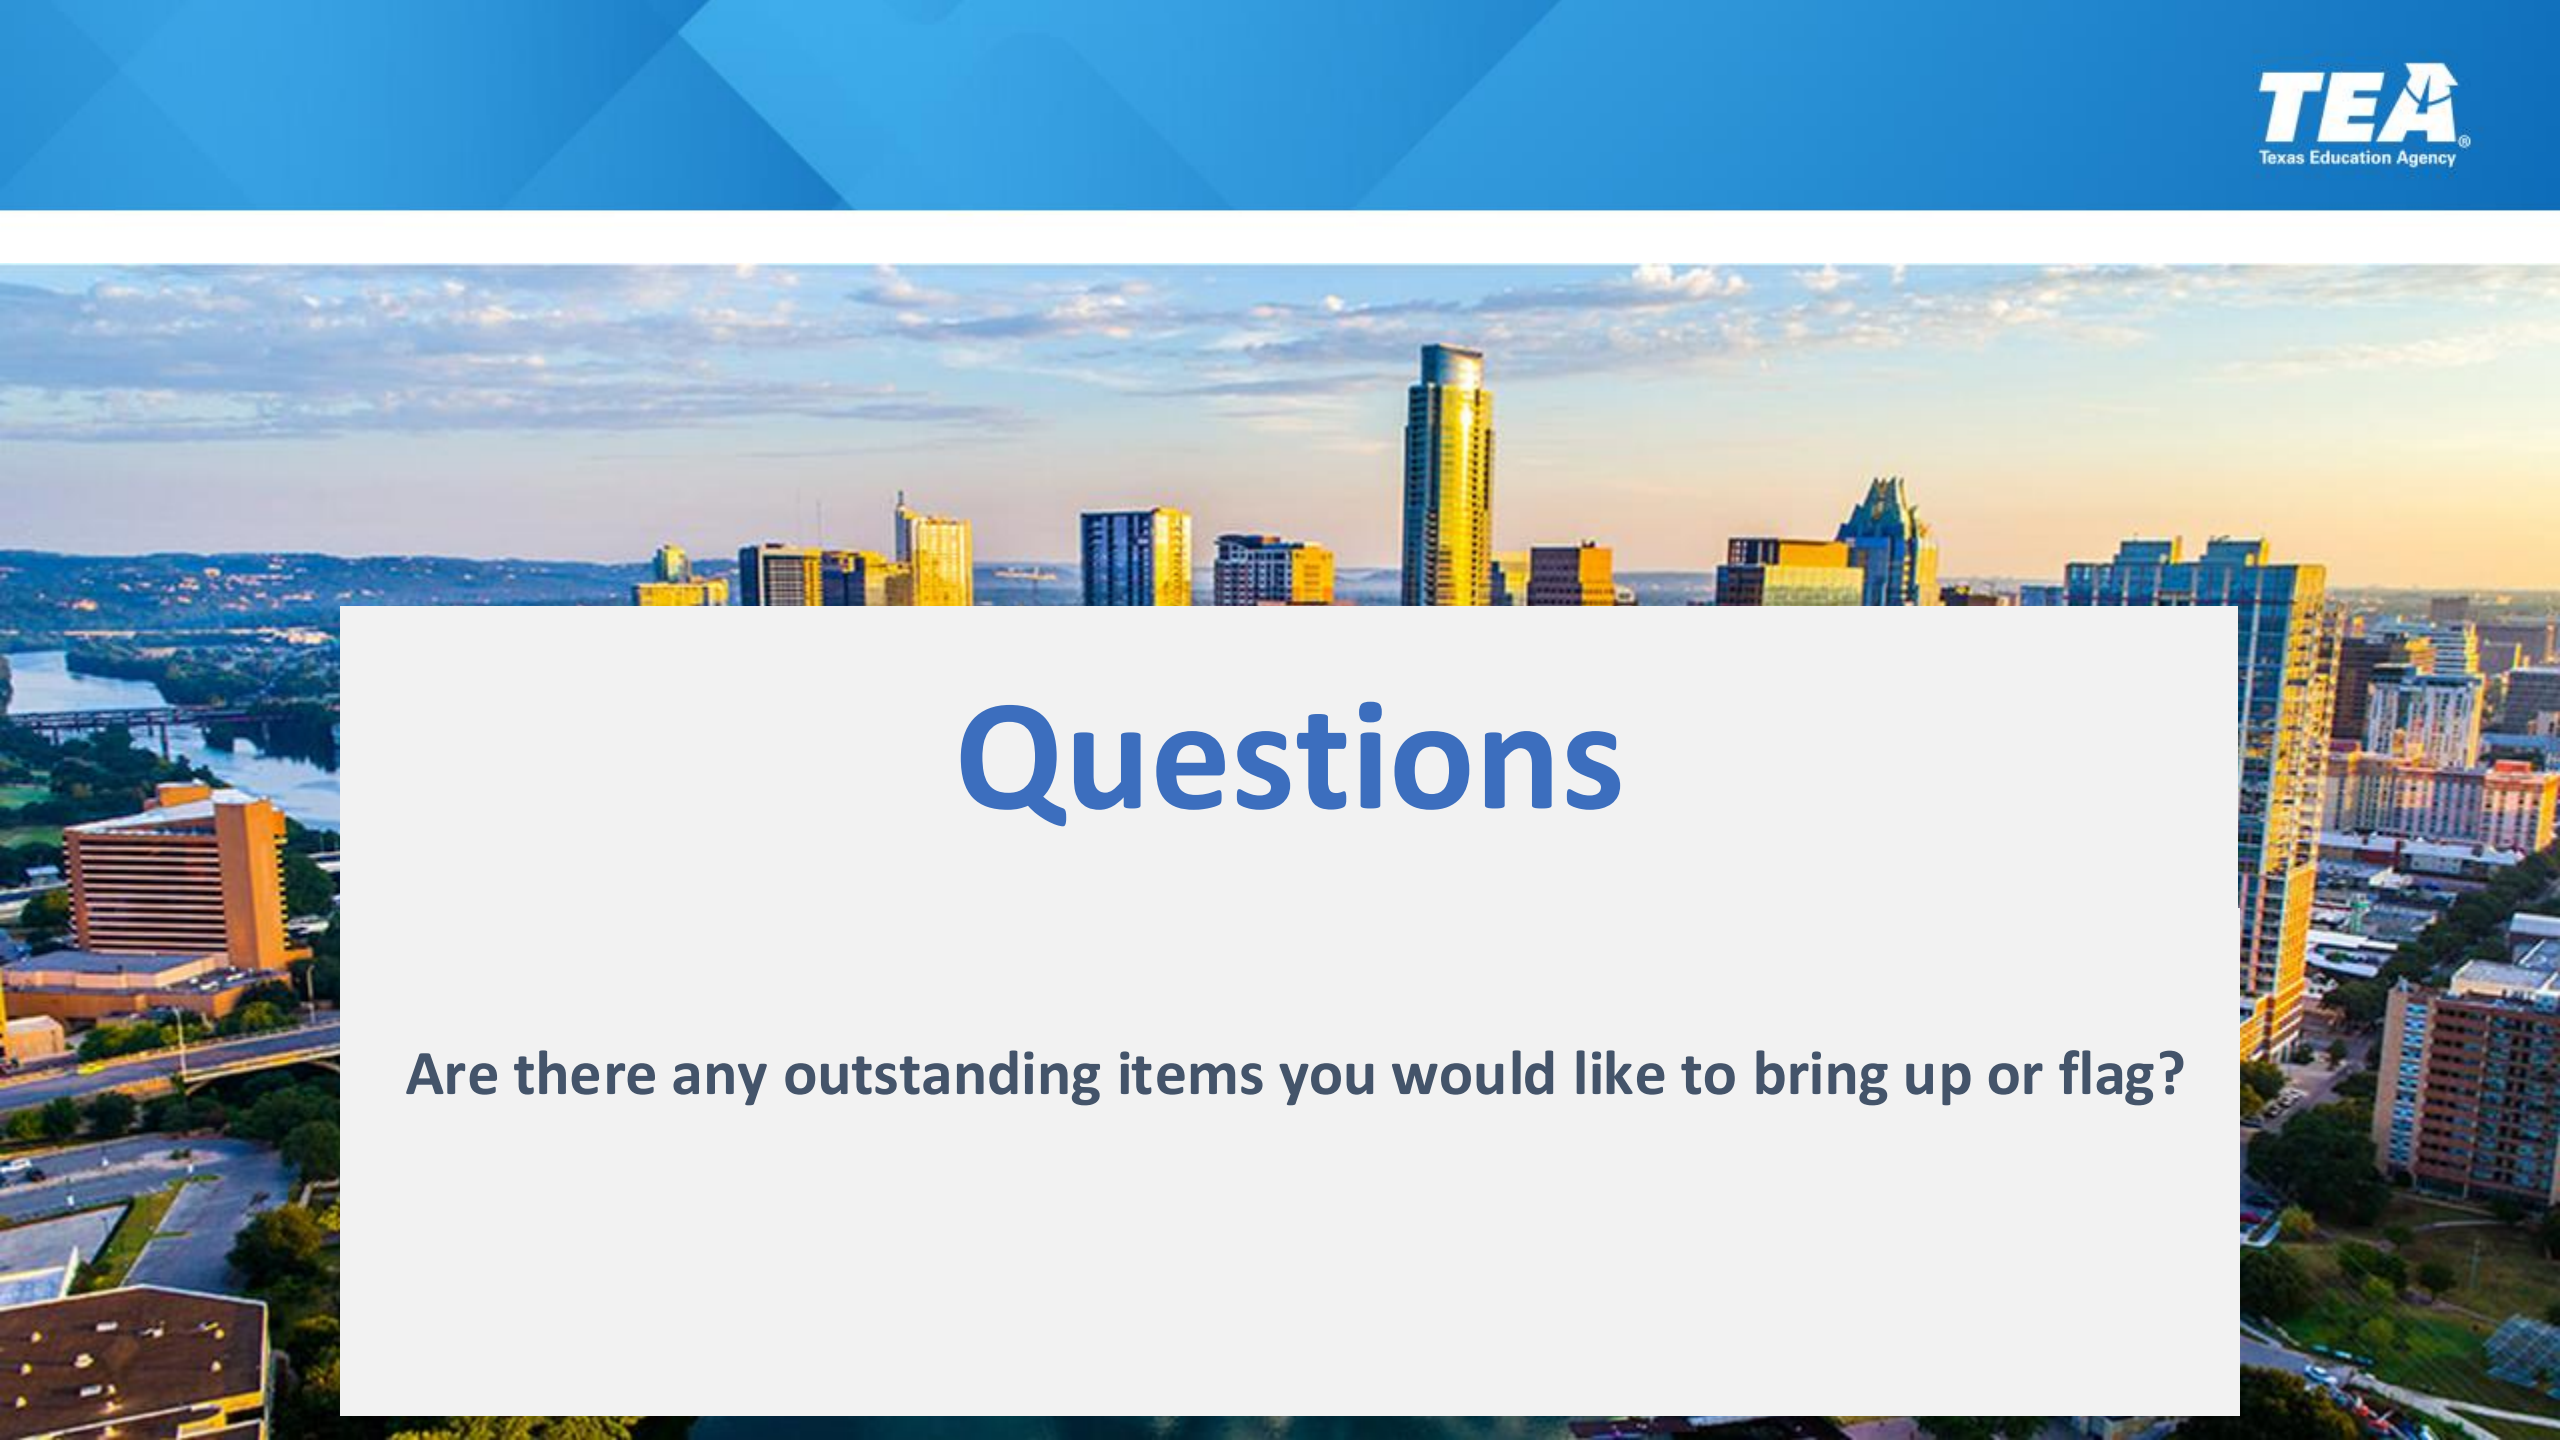

In the EPP Newsletters, a nomination form will be available:

- Apply if you are still interested in serving
- Encourage individuals to apply if they are interested or you think they would be a good contributor

Considerations:

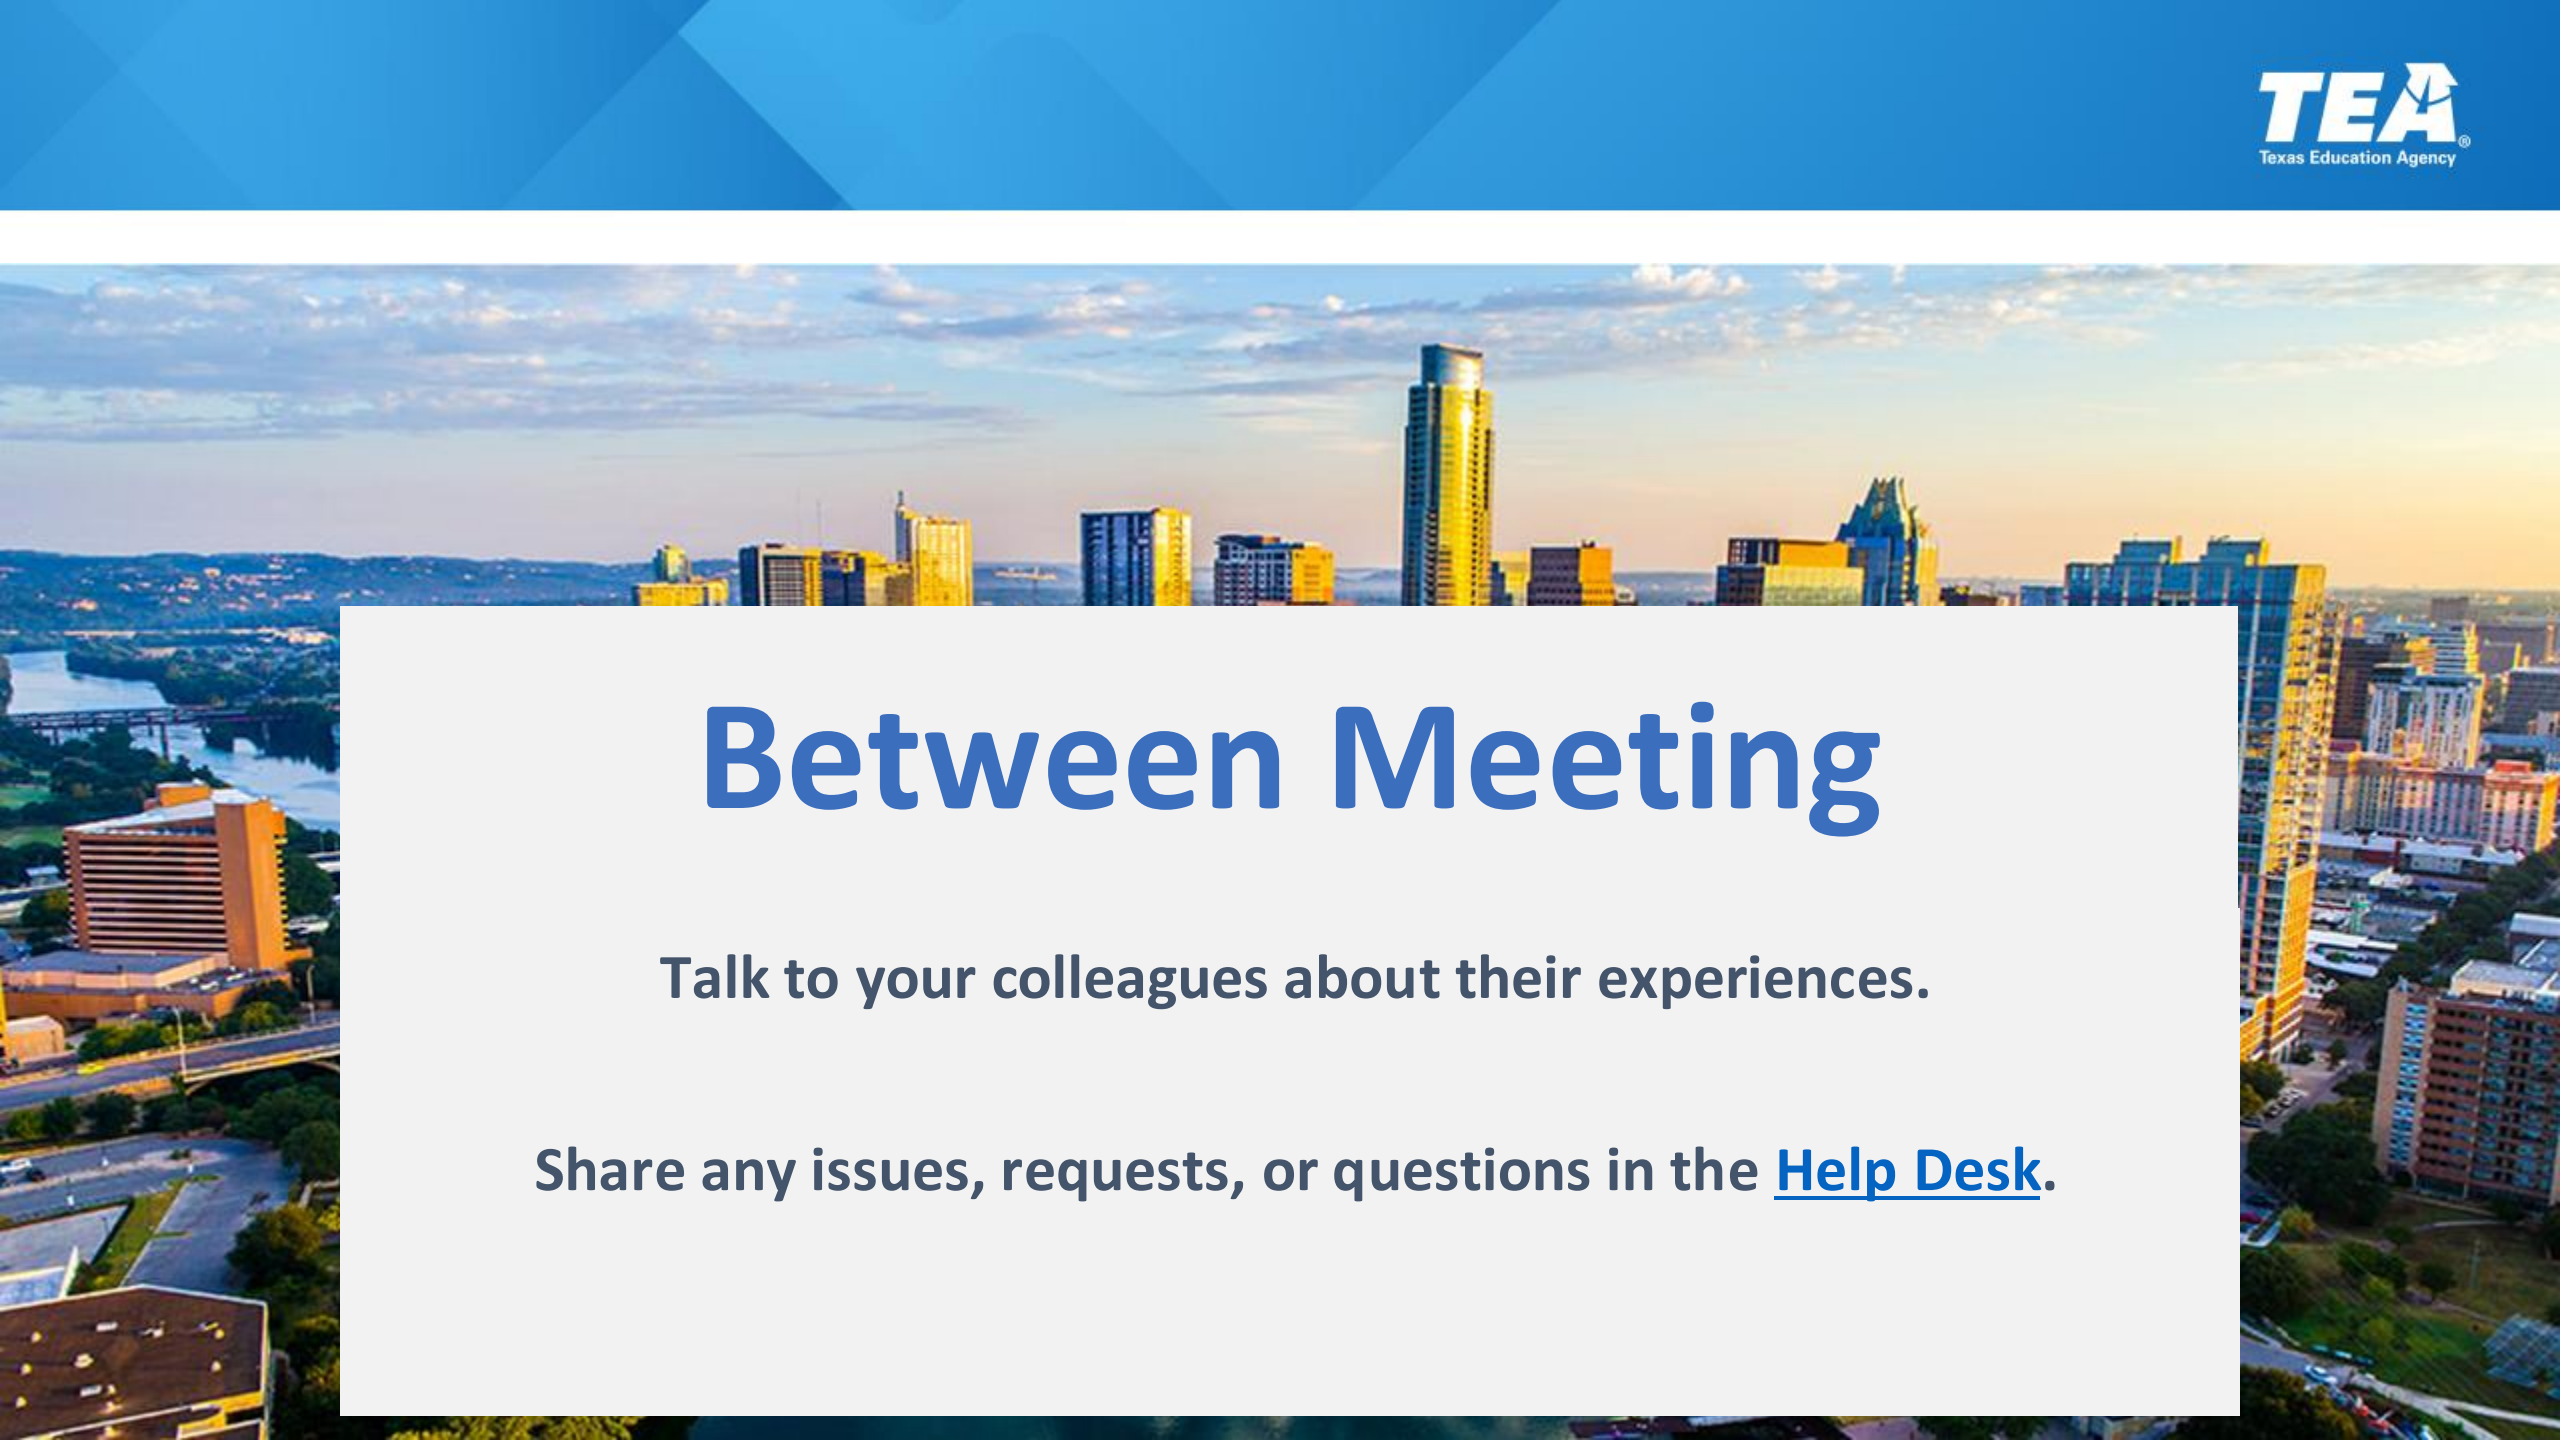

- Past participation
- Diversity in EPP representation
- Manageable Group Size

- TEA is actively seeking convening space for an in-person meeting
- TEA will be submitting a presentation updating on how feedback has been implemented
- TEA will be submitting a presentation updating on observation dashboard development
- Reach out if you are interested in putting together any other items

The background of the slide is a wide-angle photograph of the Austin skyline at dusk. The sky is a mix of blue and orange, with scattered white clouds. The city's skyline is visible in the distance, with several tall buildings, including the prominent Leaning Tower of Austin. In the foreground, there are various urban structures, including a large orange building on the left and a parking lot. The overall scene is a vibrant representation of a modern city at twilight.

Questions

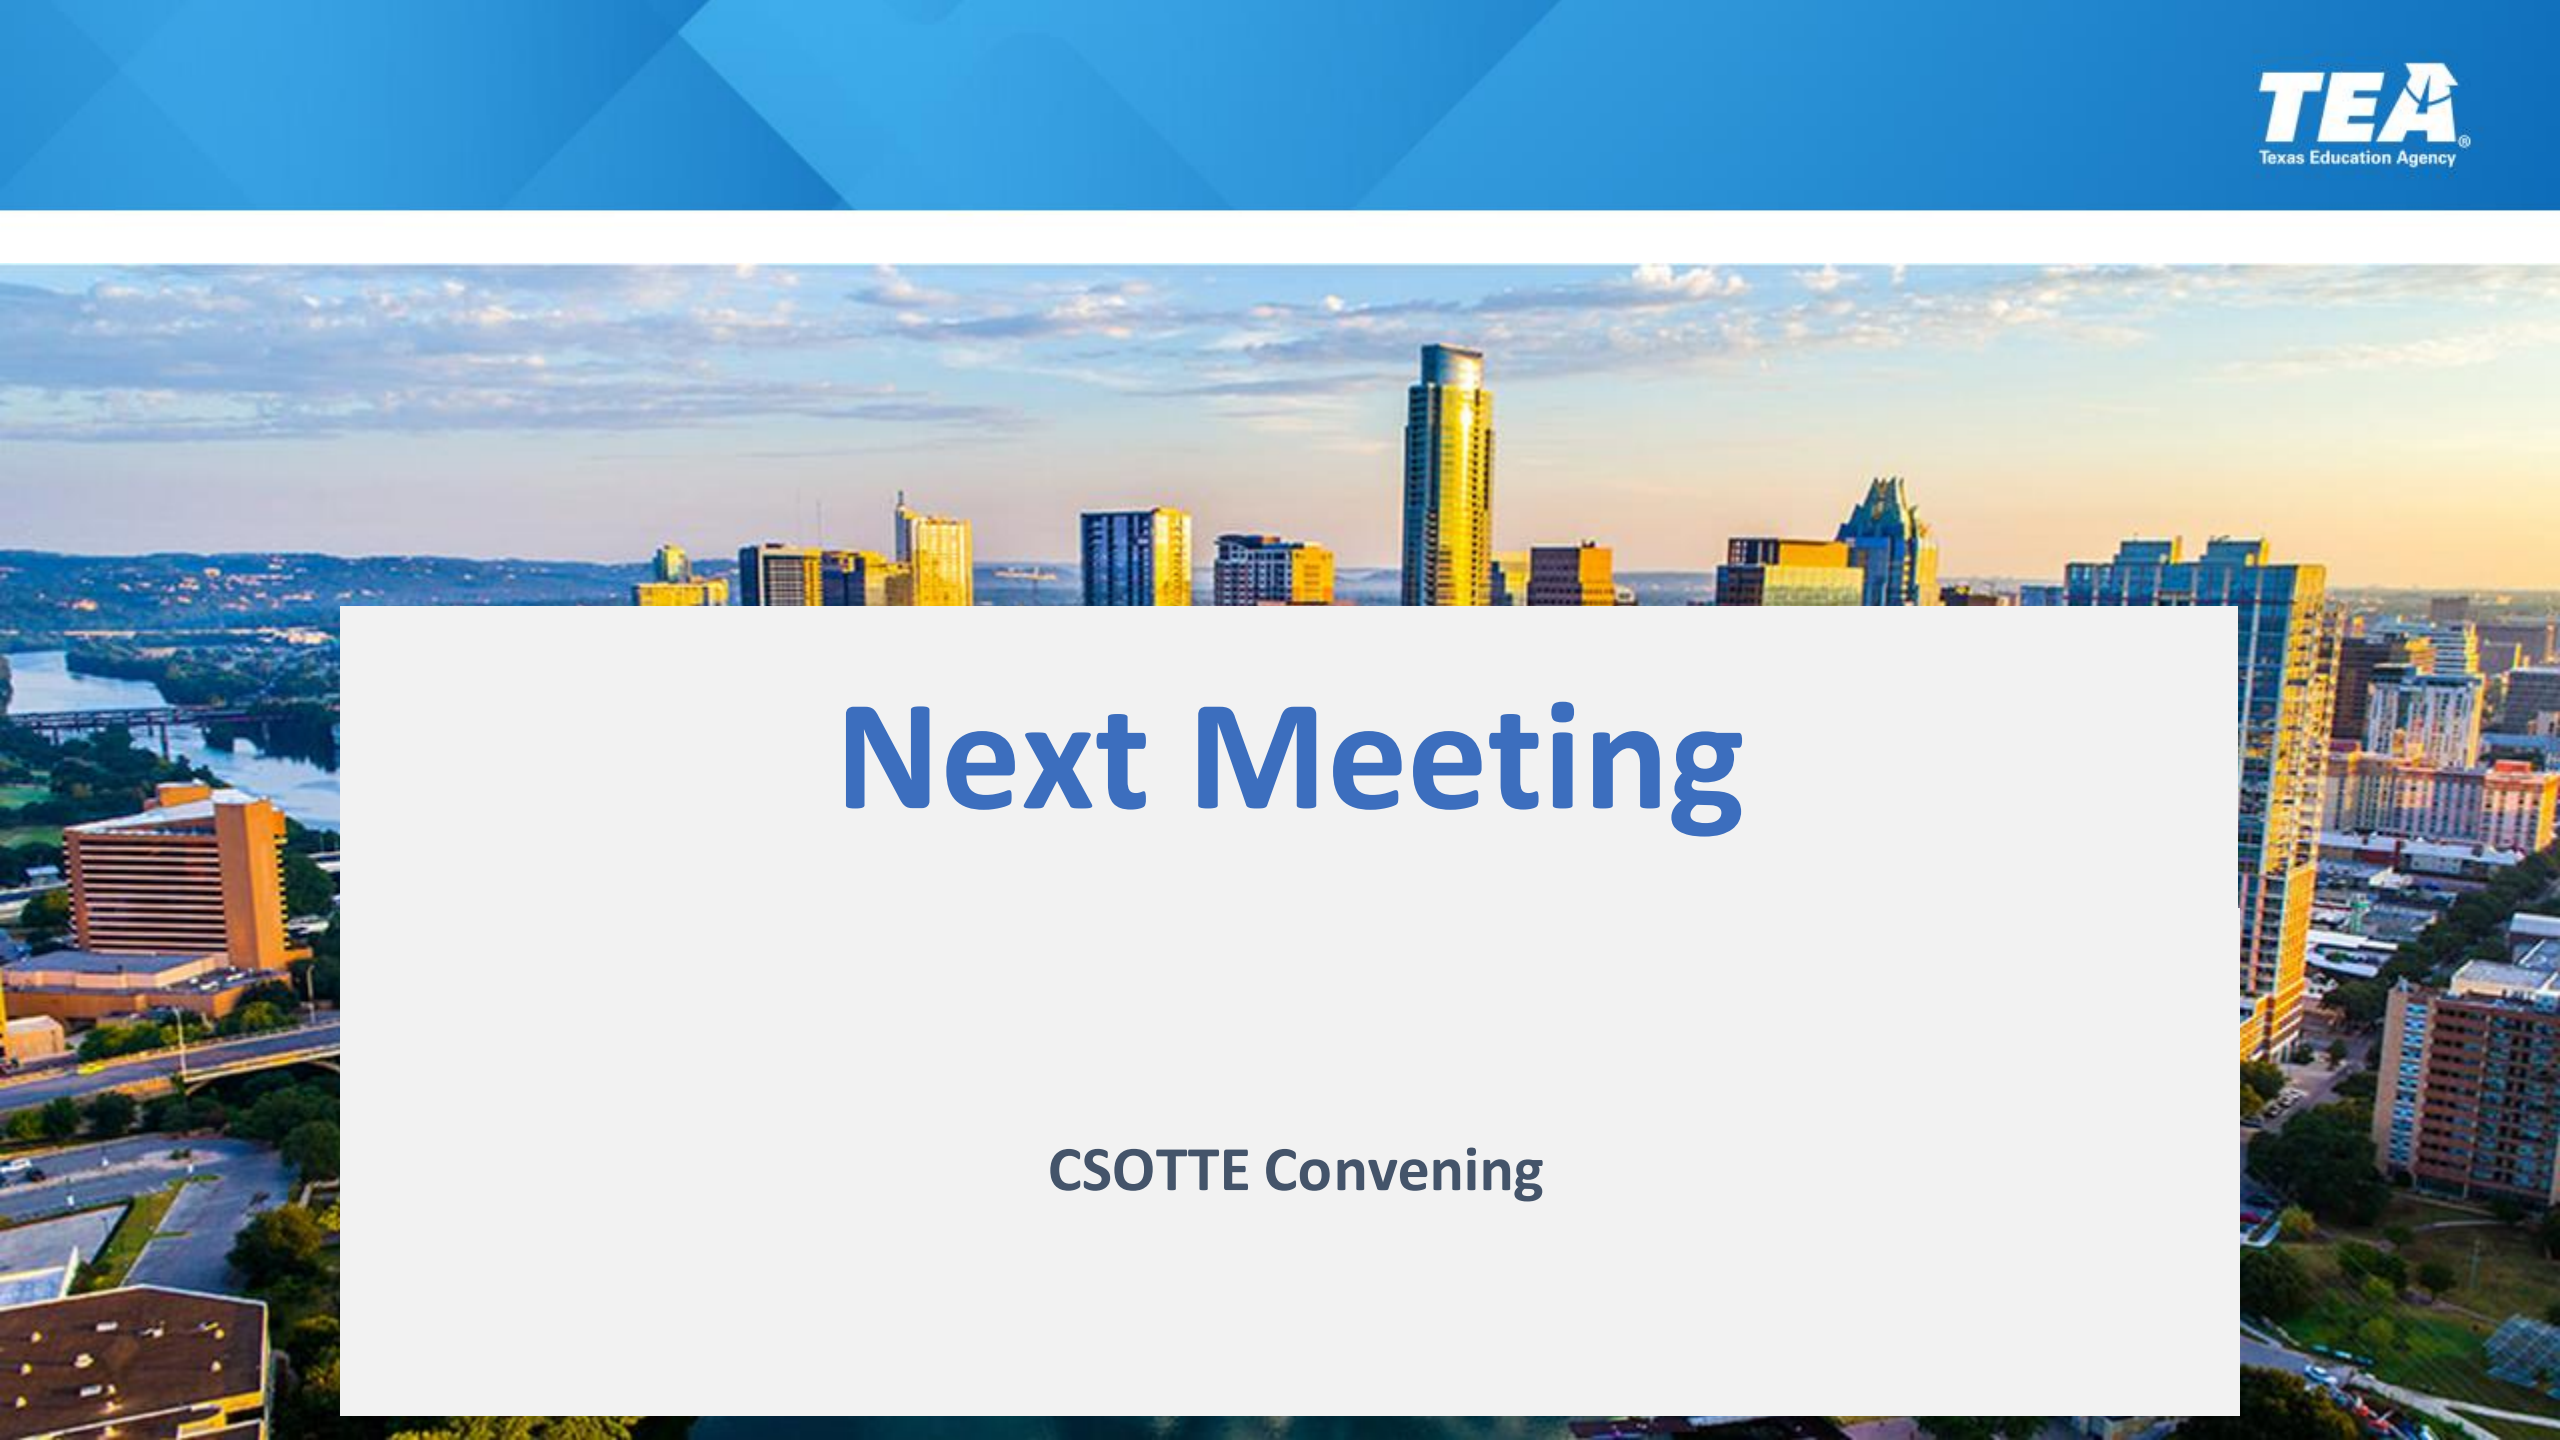

Are there any outstanding items you would like to bring up or flag?
